Delegate Barbara Fleischauer is standing up for us!

Expanding Quality Health Care Coverage

Barbara strongly believes that everyone deserves access to quality, affordable health care. To help the nearly 300,000 West Virginians without any health care coverage, Barbara supports the West Virginians for Affordable Health Care Blueprint for Health Care Reform Package. Barbara will also continue to fight for passage of increased funding and expansion of the CHIP program.

Getting An Early Start On Dental Care

Barbara fought hard to pass the Oral Health Bill which mandated the Department of Health & Human Services to establish a separate office for dental care. Barbara believes that with more children eligible for dental care through CHIP, we can get a headstart with our children in preventing dental disease later in life.

More Time For Productive School Activities

This year Barbara helped pass a law limiting school children's bus times on new school bus routes. Although it is limited to kindergarten to fifth grade, Barbara will introduce new legislation to ensure that the bus times of middle and high school students are also shortened. This will allow students a greater opportunity to participate in on extra-curricular opportunities that would improve their chances for higher education.

On Nov. 4th, Re-Elect Our Democratic Delegate

BARBARA EVANS FLEISCHAUER

Because fairness is worth fighting for

Increased Coverage for Children's Health Care

Improved Children's Dental Health Services.

Less Time on the Bus & More Time in School & After School Programs
