## Valentines for Vets

photos

Riverside Elementary School students Dustin Snider (top photo) and Nick Lantz (above, left) spent Monday cutting and coloring and pasting Valentine cards that will be sent overseas to military personnel serving in the Middle East and in local veterans' hospitals. Bob Setler from the Division of Veteran Affairs came to Riverside to help the students with their projects. The project, "Valentines for Veterans," is sponsored by the National Federation of Women Legislators Inc. in conjunction with Office Depot. More than 1,500 students across the nation are taking part in the event according to Delegate Barbara Fleischauer, D-Monongalia, who is leading the project in West Virginia. Morgantown Office Depot manager Mike Ninrichter said his store supplied the materials for the children.
