

Barbara Fleischauer and  
Charlene Marshall.

They are always trying and  
do help our seniors and they  
care about us.

I know that they will help us.

Also contact our county  
commissioners. Write them a  
letter or give them a call. We  
also need to contact U.S. Sen.  
Joe Manchin.

This is how we all can get  
help to keep our post office  
open.

This is critical and we all  
need the post office on High  
Street.

I would like to thank all of  
you in advance for caring and  
contacting our delegates, mem-  
bers of Congress and county  
commissioners.

I know that they all will try  
to solve this problem.

**Morgantown**

people making the decision  
know about the geographic  
area of Morgantown?

Probably not. It is hard  
enough for young adults, stu-  
dents, etc., to get to the post  
office on U.S. 119 — and what  
about our seniors?

The High Street post office  
is convenient for everyone,  
and it is safe to get in and out  
of their parking lot.

I am a senior and no way do  
I want to go to the U.S. 119 post  
office. Just trying to get in to  
the road to the post office and  
trying to get out on U.S. 119 is  
hazardous.

There are many wrecks  
there. This is not a safe  
place for anyone, at any age,  
to travel to get to the post  
office.

In the winter, U.S. 119 is like  
a ski slope.

So what do we do?

I am asking all this newspa-  
per's readers out there to con-  
tact our members of the House  
of Delegates, Tony Barill,

## **Time to start lobbying to keep our post office**

Someone once again is pos-  
sibly making a decision to  
close the post office on High  
Street [in downtown  
Morgantown]. Wonder if the
